

## Board Member Candidates 2025-2026

### Three-year terms

#### Christine Weber

Christine is a Registered Interior Designer with a Bachelor of Applied Design in Interior Design from Kwantlen Polytechnic University and is board-certified through the American Academy of Healthcare Interior Designers (AAHID). With decades of experience, she is a national leader in senior living and healthcare design, known for creating environments that promote dignity, wellness, and quality of life.

She serves as President of the Board for the Interior Design Continuing Education Council (IDCEC), is a current Board Member of the Interior Designers of Canada (IDC), Past-President of the Board for the German-Canadian Care Home, and is a sought-after speaker at design and healthcare conferences across North America and Europe.

Christine has recently contributed to impactful projects for clients including Revera, Providence, Fraser Health, Island Health, Vancouver Coastal, Brightwater, Parc Living, Cogir, and Welltower.

#### Carly Norris

Carly is a Registered Interior Designer and founder of Figura Design, a Vancouver based studio focused on thoughtful, functional commercial and residential interiors. Her work spans multifamily condos, rental communities, mixed-use spaces, and wellness/medical interiors throughout BC, creating environments that make everyday life better and help people feel connected.

Carly believes that design is about more than aesthetics - it's about how spaces make people feel, support their well-being, and bring communities together. She holds a WELL AP accreditation and is a registered member of IDC, IDIBC, and the Canadian Home Builders'

Association, reflecting her commitment to designing healthy, high-performing spaces.

Beyond her practice, she is dedicated to strengthening the interior design profession. She currently serves on IDC's Advocacy Committee, is active in CREW (Women in Commercial Real Estate), and is a past Co-Chair of IDIBC's SHINE Awards, which celebrates design excellence in our community.
